Rooms & Villas

Vedana Lagoon resort & spa offers a new concept with stylish interior decoration in an area of 27 hectares of undulating land and lagoon surface in a calm and picturesque landscape. With 80 luxury rooms & villas, 122 bedrooms, the resort is as warm and inviting as it is beautiful and full of elegance. Each of the villas and bungalows are individually designed and have their own private outdoor, and a factory that leads out into the lagoon or to a private garden. The highlight of the resort is the first over-water bungalow in Vietnam.

The essence of vedana lagoon resort & spa flows into the wellness experience

Over-water

From the first step on the private walkway leading to the Water Villa, one feels directly disconnected from the outside world, with the two villas on a peaceful composition. Each villa will have different choice of modern and traditional interior design.
